### **To the Citizens of the Town of Whitefield:**

It is a pleasure for your Board of Selectmen, Town Officials, and Trustees to present to you this Report on the Town of Whitefield, New Hampshire for the year ended December 31, 1965, and Town Warrant for Town Meeting, Tuesday afternoon, March 8, 1966.

Your Town Report, which is essentially the record of our stewardship of Town affairs and property, includes those of the Town Treasurer, Municipal Court, Cemetery Trust Funds, Town Clerk, Public Library, and Tax Collector. Detailed reports on the Coos County and White Mountains Regional School appropriations, the Whitefield Village Fire District, and the Morrison Hospital Association are issued separately and are usually available prior to their respective annual meetings.

Your Town Warrant, on which action will be taken at Town Meeting, consists of twelve articles this year. It, along with the Town Budget, inventory, and itemized list of receipts and expenditures, on which much of your Warrant is based, makes up the first section of your Town Report. Comment on the Budget and other articles in the warrant will be reserved for Town Meeting and/or such time as you may wish to consult directly with your Selectmen, Town Officials or Trustees. Suffice to say here, the various articles in the warrant, including the budget, represent the best judgment of your Town Officers, relying on the best information and technical assistance available and set forth with the advice and consent of the Town's Budget Committee. Accordingly, please remember that your warrant and budget are at best estimates and, necessarily, subject to change within reasonable limits at any time during our fiscal year and, hence, the difficulty of computing in advance an exact tax rate. There are, however, two factors which everyone should keep in mind; the total

Town appropriations which you will vote, for the most part, at your Town and School meetings and the net valuation figure or adjusted inventory on which the tax rate is computed. If the net valuation figure increases more in proportion than the total Town appropriations, the tax rate will decrease. If the total Town appropriations increases more in proportion than the net valuation figure, the tax rate will increase. The national trend in appropriations, be it federal, state or local government, has been one of constant increase. As every budget-minded housewife knows, everything seems to cost more with every trip to the store, and government has the same problem. Therefore, your Selectmen feel we must have growth if our tax rates are to remain anywhere within reasonable bounds. In this you can help by supporting our local commerce, industry, and agriculture and, further, by encouraging other people and businesses to locate in Whitefield by keeping your Town, your Schools, and most particularly your own property, in the best condition you can afford, to be a credit and an advertisement for the Town.

Many people, both resident and non-resident, seem to "care about Whitefield"—often we are surprised at the number. Though space and memory prevents mentioning here all who have contributed during the past year toward making Whitefield a more desirable place to live or move to, we should like to note a few. The Guest family of Norwalk, Connecticut, and the Directors and Officers of the Whitefield Industrial Corporation, who have made Whitefield's dream of a new resident industry a reality with the purchase of our industrial building. A picture of Nuroco Woodwork's new plant appears on the rear cover of this Report. The Woods family and their Caledonia Sand & Gravel Corporation of St. Johnsbury, Vermont, without whose assistance and cooperation the Whitefield Regional Airport could have been a more difficult and expensive

undertaking. Incidentally, the Caledonia Sand & Gravel Company is presently negotiating with the Town with a view to making Whitefield its New Hampshire headquarters for heavy construction. Mr. Gerald Wheeler and the National Forest Service who will construct a building at the Airport this spring as an air tanker base for forest fire prevention. The Dodge Family of Whitefield for their magnificent Century Hall, commemorating a business that was born and grew in Whitefield for one hundred years. Mrs. Walter Bradley, a resident of Dalton by the way, for her gift of trees to the Town. Also, those other property owners who, at their own expense, had stumps removed and/or through the Woman's Study Club had new trees planted. The Chase family for their very generous gifts both to our Fire and Police Departments, which went toward the purchase of additional equipment. The several families who chose to build new homes in Whitefield, and to all those who restored, re-painted, and landscaped their respective properties—we, your Board of Selectmen, express our appreciation for making and keeping our Town one in which we can all be proud.

Though new problems will forever confront us, we, your Board of Selectmen, feel that with the interest of our citizens, a new regional airport, a new regional school, and a brand new industry in an expanding field, Whitefield should grow and prosper.

Respectfully,

EDWARD H. MacDONALD,  
Chairman

### Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1965, made up

in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1965, is indicated in Exhibit B-2.

### **Audit Procedure**

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

### **General Comments**

<b>Current Surplus</b>	<u>\$ 25,350.62</u>	<u>\$ 26,049.40</u>

### **Uncollected Taxes—Prior Years' Levies:**

It is again recommended that the Tax Collector and Board of Selectmen examine the uncollected lists of property, poll, yield and head taxes on the warrants of 1962 and prior years. Such taxes thereon as appear to be uncollectible should be abated by the Board.

The inclusion of uncollectible taxes on these prior years' warrants year after year as asset accounts in the Balance Sheets tends to distort the true picture of the Town's financial condition.

### **Conclusion:**

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Whitefield for their assistance during the course of the audit.

Yours very truly,

The librarian and trustees wish to thank all of their friends who have given books and magazines to the library during 1965. Many books were given but because of duplication, or their lack of present interest, they were not usable. Several paperbacks were donated and all of these books were greatly appreciated. About 500 books have been borrowed from the State Library and the Bookmobile, providing much help to our students and a variety in reading for our patrons.

## **MORRISON HOSPITAL ASSOCIATION REPORT**

This condensed summary of 1965 activities of the Morrison Hospital Association which appears in the annual Town of Whitefield report shows that your community hospital enjoyed a record volume of business during the past fiscal year. Total whole-figure gross earnings showed an increase of \$38,000 over the previous year, and total patient days, including geriatrics, increased from 8,713 to 10,440. The volume of ancillary services provided by the clinical laboratory, diagnostic x-ray and cardiology departments likewise increased proportionately.

In order to meet the requirements of a higher patient load, Morrison Hospital had to hire additional qualified help, provide wider fringe benefits, make necessary improvements and changes to the physical plant, and purchase new equipment.

The clinical laboratory is now staffed by two full-time technicians, the nursing staff has been augmented, and the dietary and housekeeping departments have more personnel. With help from the Women's Auxiliary, new patient room furniture was purchased for all rooms on the medical and surgical floor; a new American Optical microscope was purchased for the laboratory; a new Bird respirator was installed to help patients with respiratory problems; a new emergency ramp was built on the West entrance to the building; and the front entrance of the hospital

was completely resurfaced and guard rail installed. And, already in 1966, a new medications dispensary and nurses' station has been built on the second floor, and outside storm insulation installed throughout the building.

The future, particularly with the government about to enter the hospitalization insurance field through its Medicare program, holds many questions. These can only be answered in time through continued community support and the help of the hospital staff and its directors.

Administrator

## **WELFARE DEPARTMENT**

We are pleased to report a budget surplus for the year ending December 31, 1965.

During 1965 we were presented with a number of large bills which, had we been obliged to pay them, would have cost the taxpayers several hundred dollars over our budget. However, by doing considerable research into the eligibility of these claimants, and by working closely with state agencies, it was established that the Town of Whitefield was not liable for these bills.

You will also find listed the quantities of Government Surplus Commodities distributed by your Welfare Department during 1965. These items are distributed at the Police Station on the third Tuesday of each month, to eligible recipients. Eligibility is determined according to a fixed policy established by the U.S. Department of Agriculture, based on maximum incomes as follows:

<i><b>Number in Household</b></i>	<i><b>Monthly Income not to Exceed</b></i>
1	\$ 99.00
2	127.00
3	164.00
4	195.00
5	231.00
6	266.00
7	294.00
8	328.00
9	363.00
10	397.00

R. THOMAS GAGE  
Supervisor of Public Welfare

## NEW HAMPSHIRE STATE DEPARTMENT OF HEALTH AND WELFARE

December 29, 1965

Miss Ruth McIntyre  
Town Clerk  
Whitefield, N.H.

To the Citizens of Whitefield:

During 1965, 284 visits were made in the community, and these visits are classified as follows:

Administration and		Mental Health	11
Promotion	51	Postpartum	5
Antepartum	11	Polio Clinic	1
Arthritis	33	School	3
Cancer	1	Sight Conservation	4
Cardiac	16	Social Problems	4
Communicable Disease	2	Tuberculosis	16
Crippled Children's Service	22		
Health Supervision	104		

Five children have attended the Orthopedic Clinics in Berlin, and five children have attended the Pediatric-Cardiology Clinics in Lancaster, 356 individuals were Heaf tested for tuberculosis detection, 441 individuals received polio boosters, 140 people attended the Mobile X-Ray Clinic, and 422 children received immunizations at the Spring Clinics.

With the advent of Medicare, all local communities will find themselves directly involved. Local efforts should be directed toward the problems of organizing and implimenting personal health services. Is your community ready?

Medicare is the bringing together of people **needing** and providing service. A major contribution to the health care for the aged lies in the provisions for home care benefits.

Communties need to plan and develop new patterns of services geared to meeting the needs of the chronically ill, aged and infirm persons living in their own homes. Care in the home often saves money for the family and the community.

All citizens of your community must work in a spirit of partnership in recognition of a common purpose-the assurance that health care of high quality will be part of the security to which all Americans look forward in the latter years of their lives.

It has indeed been a pleasure to work with the Citizens of Whitefield, and I extend my appreciation to them for their co-operation during the past year.

Respectfully submitted,

ELEANOR D. KENNEY, R.N.  
Public Health Nurse, District #2  
N.H. State Department of Health

## Program of the White Mountains Region Association 1965 (28th year)

Printed and distributed over 180,000 folders and booklets promoting the White Mountains Region.

Received 6,987 inquiries in the office which were answered promptly with a kit of folders or by personal letters.

Sent over 22,471 letters and 33,317 individual folders by mail. The balance was distributed by freight or by automobile.

Wrote 25 news releases for use in the local media and four news letters to our members. Wrote one article for N. H. Profiles on "Industrial Conway" and helped prepare other articles for use outside of the region.

Supported the 4-H awards program to encourage the role of agriculture and awarded Mrs. George Clement of Lisbon the "Outstanding Farm Wife of the year."

Have sent a weekly bulletin of lodging inquiries to member innkeepers who subscribed for them and a monthly real estate bulletin to the member real estate dealers.

Sent out a packet of ski area and lodging folders in response to inquiries on skiing.

Presently we are revising our White Mountains Map which lists nearly 200 points of interest in our region, which was designed to keep the tourists with us a little longer. Information booth people tell us it is very popular with tourists. The new edition will be printed this winter.

Worked in cooperation and attended meetings with the White Mountains Recreation Association, Coos County Rural Areas Development Committee, Coos County Planning Committee, Carroll County Rural Areas Development Committee, N. H. Ski Areas Operators Association, White Mountains Region Industrial Council, the Coos, Carroll and Grafton Counties Community Action Program. The association with these many groups has been mutually helpful in developing new projects and programs in the north country.

Respectfully submitted,
